

# LifeLine Animal Project

## OUR 2016 IMPACT

LifeLine Animal Project has a mission to end the euthanasia of healthy and treatable animals in our metro Atlanta shelters.

# Leading the Charge to Make Atlanta a No-Kill Community

LifeLine Animal Project is proud of its impact in Atlanta. Our organization identifies the greatest needs within the community, provides the resources needed and improves the standard of care for animals in our city. We manage the DeKalb and Fulton County animal shelters, implement lifesaving programs and are the largest provider of spay/neuter resources in the area.
