

# Stand up for Atlanta's animals!

Hosting a stand is a fun way to help the animals in our shelters and community!

## HERE ARE SOME STEPS TO MAKE IT A SUCCESS:

- 1 **Make a tasty drink!** Ask a grown-up to help you find a yummy recipe.
- 2 **Make an eye-catching poster or sign** to tell people about your stand.
- 3 You can also **print our flyer to hang up** at your stand. Decorate it however you want!
- 4 **Use a jar or box to collect donations.** Let customers know **they can also pay with their phone by texting LEM4LL to 53555** or scanning the code on our flyer.
- 5 Ask a grown-up to **post on social media** (like Facebook or Nextdoor) to tell your friends and neighbors about your stand. Use **#In4LifeLine!**
- 6 Have a grown-up help you **send in the money you collect to LifeLine.**
- 7 Ask a grown-up to **send us pictures** of your stand to [content@lifelineanimal.org!](mailto:content@lifelineanimal.org)
